

Golf is an individual sport played completely outdoors that allows great distance between people while walking the fairways!

Haystack has implemented outdoor, greater than six-foot separation during registration to play, has never allowed golf carts on the course and recommends leaving the flag in while holing out! We allow individuals indoor access only for using the restrooms, one at a time, and sanitize after each use.

As such, we are reopening as of March 28, 2020.

Here are the current, applicable sections from Public Health officials (Boulder County rescinded its order and is using Statewide guidance) and FAQ website – **Haystack is compliant with all:**

During closures, **the Colorado Department of Public Health Environment and CDC recommend:**

- Spending time outdoors as a family.
- Pursuing individual outdoor activities like biking or hiking, as those make it easier to keep a good distance from other people.

Public Health Order 3/25/2020

PHO 20-20

(Restricting Visitors all all Colorado Skilled Nursing Facilities, Assisted Living Residences and Intermediate Care Facilities); PHO 20-22 (Closing Bars, Restaurants, Theaters, Gymnasiums, Casinos, Noncritical Personal Services Facilities, and Horse Track and Off-Track Betting Facilities Statewide); and PHO 20-23 (Implementing Social Distancing Measures)

I. B. All Colorado employers are ordered to implement tele-work or other work from home capabilities to the greatest extent possible. **Businesses may continue operations** so long as at least half their employees and contractors perform work activities at their own residences (i.e., work from home). **If tele-work or work from home is not practical or possible, employers are encouraged to stagger work schedules and take other measures to reduce the proximity of workers to each other** during work hours.

D. Any employer that can certify that employees are no closer than six feet from one another during any part of their work hours is exempted from this PHO.

II. C. “**Social Distancing Requirements**” means maintaining at least a six-foot distance from other individuals, washing hands with soap and water for at least twenty seconds as frequently as possible or using hand sanitizer, covering coughs or sneezes (into the sleeve or elbow, not hands), regularly cleaning high-touch surfaces, and not shaking hands.

III. **A. Employers are strongly encouraged to maintain their workforce at current employment levels** during this temporary public health emergency.
